Pavlovas with Raspberry Flavour Finisher and Flavour Pearls

Luscious yet light, and very eye catching. Pavlovas with Raspberry Flavour Finisher and Flavour Pearls is a great dish for when you are a bit too busy to spend much time in the kitchen but still need a lovely dish that looks kinda home

made but is really not.

We bought the Pavlova shells. A handy item to keep in the pantry I think! If you want to make your own Pavs please check out our recipe via this link. Raspberry Flavour Finisher adds a vibrant flavour crunch to the silky Cream and the juicy bursting Raspberry Flavour Pearls finish the dessert just perfectly.

Flavour Finisher and Flavour Pearls are also available in Strawberry
